Hi Mayor Keith,

That sounds like a huge event, and best of luck with the luncheon! I would love to hear more about how it goes.

Thank you Mayor for your support. Following the call, we will be circulating a sign-on letter to the California Mayors Against Illegal Guns Coalition in support of AB 424 and keeping guns out of schools. We would love for you to sign on as well. Please find attached a copy of the letter for your consideration.

Also, June 2nd, National Gun Violence Awareness Day is right around the corner. Last year we had close to 200 mayors participate and we hope to surpass that number this year.

Please join us this year by:

- wearing orange and sharing a selfie/photo on social media;
- signing a **proclamation** declaring June 2, 2017 Gun Violence Awareness Day in your municipality;
- lighting up or decorating a local landmark orange i.e. City Hall; and/or
- attending or speaking at an event organized by local Moms Demand Action volunteers on Saturday, June 3.

Sign up here!

Please let me know if I can answer any questions. Many thanks!

All the best,
Andrew

We wil be hosting a state legislative briefing call on **Friday, April 21st at 12:30 PM PT** to provide an overview of AB 424, which would help keep guns out of California's elementary, middle and high schools.

Please join us, Santa Barbara Mayor Helene Schneider, and the rest of the California Coalition of Mayors Against Illegal Guns, as we discuss the important role mayors from across the state can play to help ensure California schools remain safe.

Please RSVP here. In addition, please find a copy of our fact sheet on the bill here. Thank you for everything that you do to help keep your community safe from gun violence.

All the best,
Andrew Conlin
